SPEED SCRUB[®] 15 inch 3 gallon walk-behind scrubber

- Get deep cleaning results in places you couldn't scrub before
- Completely recover dirty water thanks to the expertly engineered, high-powered recovery system
- Start cleaning immediately with the simple "all in one" trigger operation

**Built to be tough.
Made to be easy.**

Small, ultra low-profile cylindrical scrubber

Get the job done right the first time – every time! The Speed Scrub 15" corded scrubber is the best choice for smaller jobs.

Clean deep

Remove even the toughest grime with the cylindrical brush system's 33 lb / 15 kg of focused down pressure and 1,200 rpm brush speed.

Complete water recovery

Pick up all the dirty water with the "no-hassle" squeegee system and powerful 1.2 hp / 0.89 kW vacuum that pulls 86 in / 2180 mm of water lift.

Extremely reliable

Expect years of dependable operation thanks to the category's only cast aluminum frame and scrub head and industry-leading 10 / 3 / 3 warranty!

Engineered by Tennant Company, the Speed Scrub 15 is a smart, reliable choice for your no-nonsense cleaning needs.
