

NINJA CLASSIC

Put The Industry's Leading Portable Extractor To Work For You!

All units ranging from 150 to 500 PSI, including models with heat, are CSA-US approved.

40 Litre (10 Gallon) Solution and 40 Litre (10 Gallon) Recovery Capacity: allows for maximum efficiency in time and labour costs, allowing you to work longer without any downtime.

Dual 2-Stage or 3-Stage Vacuum Motors: The dual 2-stage motor is hooked up in series to give you great airflow and sealed suction and the dual 3-stage gives you maximum lift for more efficient water pick up from your carpets.

Adjustable PSI Pump: Adjustable PSI pump on the 200 PSI and 500 PSI models deliver cleaning power and versatility for cleaning nearly any type of carpet or upholstery.

25' Power Cord(s): Ninja Classics are outfitted with power cord(s) that require less than 15 amps, avoiding downtime and the inconvenience of overloading electrical circuits.

Hinged Design Ensures Easy Maintenance: This innovative design allows access to components making it easy to maintain and repair.
