

TUFT GUARD II CONCENTRATE

Concentrated Fluorochemical Carpet Protector

PROTECTOR

Tuft Guard II Concentrate is an advanced water based carpet protector using the latest in environmentally conscious fluorochemical technology. Tuft Guard II Concentrate delivers superior performance for dry and oily soil resistance. With the benefit of added acid stain blockers carpet fibres are protected from absorbing acid based stains. This product allows for easier spot and spill clean up while at the same time reducing excess fibre wear by protecting carpet from abrasive soils resulting in extended carpet life.

- Concentrated for cost effectiveness
- Enhanced performance
- Acid stain blockers
- Contains New advanced fluorochemical protectors
- Mild scent
- VOC compliant
- Environmentally preferable
- Meets specifications for use on stain resistant carpets
- Available in: 4 L (1.06 US gal.) or 20 L (5.28 US gal.)

PREVENT STAINS FROM PENETRATING CARPET FIBRES

DIRECTIONS FOR USE:

Pretest in an inconspicuous location for color fastness and fibre stability.

Ensure equipment used for applying mixed solution is thoroughly cleaned out.

For damp cleaned carpet: Mix 8 oz (236ml) of Tuft Guard II Concentrate to 1 gal (3.78 L) of water. **(1:15 Dilution)**. 1 gallon (3.78 L) of mixed solution should be applied using a water pump-up or power sprayer covering approximately 200 square feet (18.6 square meters).

Diluted pH: 5.8
Dilution Ratio: Up to 1:30

For Dry Carpets: Mix 4 oz (122 ml) of Tuft Guard II Concentrate to 1 gal (3.78 L) of water. **(1:30 Dilution)**. 1 gal (3.78 L) of mixed solution should be applied using a pump-up or power sprayer, covering approximately 100 square feet (9.29 square meters).

For Best Results: Agitate the carpet in two directions using a carpet groomer or mechanical brush for even coverage.

NOTE: Do not mix Esteam Tuft Guard II Concentrate with any other chemical product. Do not spray onto hard surface floors or walls. Immediately wipe off overspray with a damp cloth.

Keep this product out of reach of children. Read the Material Safety Data Sheet and Product Label before using. Take the necessary precautions dictated by the label to ensure that your health and that of your customers' is protected.
